MEMORANDUM FOR THE RECORD

SUBJECT: Military Operations Training Course []

1. I discussed with [] Military Liaison/DDO, the question of a critique of the first course recently completed. [] said that OTR had prepared such a critique but the DDO had not received a copy. The DDO had officially complained about this. They expect a copy shortly and when they receive it they will contact us.

2. [] added that Gen. Crittenberger had requested that he be permitted to attend the critique if and when it was conducted. Crittenberger has not been provided any after-action report. DDO owes Crittenberger some sort of report.

3. ACTION: On or about 9 January, check with [] or [] for status. Follow up upon obtaining copy of critique.
